The Music City Mile was created as an end-of-the-year celebration and competition for the hard work and training throughout the school year. It is a safe, family-friendly race designed just for elementary and middle school kids (K-8). It is open to all kids, but awards will only be for Tennessee residents. The 2017 course is on the 1/2 mile track at Poplar Grove School in Franklin where parents, friends and family will be able to cheer on the runners and see them the entire race.

## What is a mile?

A mile is 5,280 feet, 1,760 yards or 1,609 meters (1.61 km). A Roman mile was originally 5,000 feet, but the UK changed the mile based on a furlong (660 feet). 8 furlongs became the standard for the mile (8 x 660 = 5280). The United States as well as two other countries are the only places that still use the Imperial system for weights and measures. The fastest mile ever ran is 3 minutes, 43 seconds by Moroccan Hicham El Geurrouj.

1 lap around Pinkerton Park in Franklin is a little over a mile.

4 laps around any high school or college track is a mile.

The City of Denver is called the Mile-High City.
